AGRICULTURE DEPARTMENT

Sir,

Sub: Education--Fisheries-Deputation--Higher Elementary Grade teachers to undergo Coir Training--Proposals under Part II Scheme for 1956-57--submitted.

I submit below proposals for the deputation of Higher Elementary grade teachers of this Department from South Kanara and Malabar Districts to under-go Coir training at Government Coir School, Beypore.

South Kanara Division:

In G.O. Ms. No.5190 Development dated 21-12-50 Government had sanctioned the deputation of 12 (twelve) Higher Elementary Grade teachers in three batches for a period of one year each from the year 1951-52 onwards for practical training in Coir handicraft at Government Coir School, Beypore. Accordingly twelve Higher Elementary Grade teachers were deputed for training and they are now working in the followin schools.

1. Polippu fisheries Higher Elementary School.
2. Kodi fisheries School
3. Navunda Higher Elementary school
4. Bekal Lower Elementary school
5. Adkathbail Lower Elementary School
6. Udiawar West School
7. Hadavinatham School
8. Uppoor School
9. Sandspit School
10. Yermal School
11. Kaup School.

According to the G.O. quoted above all the trained teachers were posted to the following twelve fisheries schools.

1. Chervathur (2) Udinoorkadapuram (3) Hosadrugkadapuram (4) Srijnanodaya (5) Kaup (6) Udiawar West (7) Manoor (8) Navunda (9) Kirimainjeswara (TO) Tharapathy (11) Hadvivathone (12) Kesarakodi

Some of the teachers had to be posted to some other schools owing to exingencies of public service and are now working in those schools. Some of the teachers who under-went Coir training were promoted as Secondary grade teachers on their passing the Higher examination and some left the services of the Department. One of the teachers who under-went coir training was subsequently discharged from service after framing charges against him. New fisheries schools have been opened in the following three places since 1950 till date:—

(1) Mallur (2) Thenka yermal (3) Padnekadapuram and (4) Mani Koth.

In the circumstances explained above, Coir handicrafts could not be introduced in the following 12 fisheries schools in South Kanara District for want of Coir trained teachers.

1. Kesarakodi fisheries lower Elementary School.
2. Tharapathy -do-
3. Kirimanjeshwar -do-
4. Moolur fisheries school
5. Yermal South (Thenka) Lower Elementary School
6. Srijnanodaya School

cont.

7. Ajanur School
8. Hosdrugkadapuran School
9. Udinoorkadapuram School
10. Padnekadapuram school
11. Manikoth School
12. Chervathur School.

At present there are thirty two Fisheries schools in this division of which six are Higher Elementary Schools and the remaining twenty six are Lower Elementary School. A total number of twenty Higher Elementary Grade teachers who underwent coir training are now working in the twenty fisheries schools and the twelve fisheries schools mentioned above are not having coir trained teachers. Efforts were made to get coir trained Higher Elementary grade teachers from the District Employment Exchange office and through the Superintendent, Government Coir School, Beypore. But no candidates were available for appointment. The Assistant Director, Mangalore reports that the deputation of twelve more Higher Elementary grade teachers in three batches for a period of one year each from the year 195651957 is quite essential to introduce coir training in the remaining 12 schools mentioned above.

MALABAR DIVISION: (Kozhikode)

There are at present 32 coir trained teachers (i.e.) 5 secondary and 27 Higher Elementary Grade for being posted to 31 Elementary Schools in this division. The services of the secondary grade teachers who were already trained in coir handicrafts are being utilised for imparting instructions in coir handicrafts by transferring and posting them as Headmasters of Lower Elementary Schools where there are secondary Grade posts, so that they could work both as Headmaster as well as coir trained teachers. Due to such postings the Secondary grade teachers (Coir trained) are put to great difficulties as they are compelled to work in places far away from their native places as there is no chance for them to work in the schools in their own places. This can be remedied only if they are relieved from the Headmaster-ship and posted back to their own native place. For this purpose it is necessary to train 4 more Higher Elementary grade teachers in coir handicrafts. The Assistant Director of Fisheries, Kozhikode reports that 4 Higher Elementary grade teachers may be deputed to undergo coir training in the Coir School at Beypore, during 1956-57 to give relief to the above-mentioned secondary grade teachers.

I therefore request that Government may be pleased to accord sanction to

1. The deputation of twelve Higher Elementary grade teachers from South Kanara division in three batches for a period of one year each from the year 1956-57.
2. and the deputation of 4 (four) Higher Elementary grade teachers from Malabar Division for a period of one year during 1956-57 to undergo practical training at the Government Coir school at Beypore.
3. and for the appointment of substitutes in the place of those deputed for training.

As ordered in the G.O. Ms. 5190 Development dt. 21-12-50 the period of deputation of the teachers may be treated as on duty and they may be permitted to draw the pay for which they would have been eligible had they not been so deputed. This proposal may kindly be treated as part II scheme for 1956-57.

The financial implication of the scheme is sent herewith.

Additional
for/Director of Industries and Commerce.

The financial implication.

I. MANGALORE DIVISION.
First year:

EXPLANATORY NOTE

In December 1950, the Govt. sanctioned the deputation of twelve Higher Elementary Grade teachers of the Fisheries Dept. in three batches for a period of one year each from the year 1951-52 for practical training in coir handicraft at Govt. Coir School, Beypore. These twelve teachers after training are working in 12 of the Fisheries Schools in South Kanara Division. The D.I. & C has reported that, for want of trained teachers, coir handicrafts could not be introduced yet in about 12 Fisheries Schools in South Kanara Dt. According to the Statistics of Schools and the staff trained in coir handicrafts, the D.I. & C has stated that the deputation of twelve more Higher Ele. Grade teachers in three batches for a period of one year each from the year 1956-57 is quite essential to introduce coir trainin

8

in those schools.

The D.I. & C has also stated that it would be necessary to depute 4 higher ele. grade teachers from Malabar Dt. to undergo the training in the coir school at Beypore during 1956-57 to give relief to the ~~xxx~~ Secondary grade teachers in the Fisheries Schools in that ~~Malabar Dt.~~ district. As coir handicrafts is ~~essentially~~ one of the very useful items in which the fisher children studying in the Fisheries schools should be trained, this Dept. supports the proposal of the D.I. & C. and recommends that necessary provision may be made in the B.E. for 1956-57 as shown in the summary ~~above.~~ overleaf.

has stated that the deputation of twelve more Higher Elementary Grade teachers in three batches for a period of one year each from the year 1956-57 is essential to introduce coir training in those schools.

The Director of Industries and Commerce has also stated that it would be necessary to depute 4 Higher Elementary Grade teachers from Malabar District to undergo the training in the coir school at Beypore during 1956-57 to give relief to the Secondary Grade teachers in the Fisheries Schools in that district. As coir handicrafts is one of the very useful items in which the fisher children studying in the Fisheries Schools should be trained, this Department supports the proposal of the Director of Industries and Commerce and recommends that necessary provision may be made in the Budget Estimate for 1956-57 as shown in the summary overleaf.

N. MURUGESA MUDALIAR,
DEPUTY SECRETARY TO GOVERNMENT.

Gdr.16/12.

PART II SCHEMES FOR 1956-57.
Recommendations of the Standing Finance Committee.

S.No. of the Scheme. FISHERIES	Recommendation of the Committee.
115	The provision for the Deputy Registrar and Sub Registrar may be cut out. The existing officers of the Co-operative Department may attend to this work.
116	The proposal requires further examination. May be deferred.
117.	Recommended. But the organisation should be carefully made so as to avoid unemployment among fishermen through private competition. The question of introducing legislation so as to provide for the issue of permits and licences for using mechanised fishing boats should be examined.
118 and 119	Recommended.
120	May be deferred.
121	Recommended.
122.	Recommended. But the staff may be restricted to one Inspector, one Lower Division Clerk and one Peon only. The survey should be made within three months and a report submitted to the Government.
123 and 124	Recommended.
125	May be deferred as the Islands will go under Central control.
126	Recommended. It is noted that the proposal will be fully examined before sanction.
127	May be deferred.
128 and 129	These may be considered together and the question of carrying on the work at Porto Novo with the assistance of the Annamalai University may be examined. Meanwhile, no provision need be made.
130.	It would be better to provide for departmental marketing of the fish. The scheme as now proposed need not be pursued.
131	May be deferred.
132 to 137	Recommended.
138	May be deferred.

The DI&C's letter in the Cf may be perused

P. in Cf

2. In Dec 1950 Govt sanctioned the deputation of twelve Higher Ele: Gr teachers in three batches for a period of one year each from the year 1951-52 for practical training in coir handicraft at Govt Coir School, Beypore. These twelve after training were working in the Fisheries schools shown at A on p.1 Cf. For the reasons stated by the DI&C at B on p.1 Cf, the states coir handicrafts could not be introduced in the 12 schools in S. Kanara etc detailed at C on pp 1-2 C/L. According to the Statistics Cf schools and the staff trained in coir handicraft, the DI&C states that the deputation of twelve more H.E. Gr teachers in three batches for a period of one year each from the year 1956-57 is quite essential to introduce coir training in the

remaining 12 Fisheries schools in the Fisheries in S. Kanara etc:

Similarly for reasons stated at 'D' on p 3 of the DIE has proposed that 4 HE Gr teachers may be deputed to undergo coir training in the Coir School at Beypore, during 1956-57 & fresh relief to the above Secondary Gr teachers in the Fisheries schools in Malabar Dist.

In brief the proposals of the DIE are —

1. the deputation of 12 H.E. Gr teachers from S. Kanara Dist in three batches for a period of one year from the year 1956-57

2. The deputation of 4 HE Gr teachers from Malabar Dist for a period of one year during 1956-57 to undergo training at the Govt Coir school at Beypore and

3 for the appointment of substitutes in the place of those deputed for training

The financial implications involved is shown on p 5 of. Annexure A (Rs 1/-)

expenditure of Rs 2552 in each of the years 1956-57 to 1958-59 in Kasaragode Dist. and Rs 2400/- for 1956-57 in Malabar Dist, have been incurred if the proposals are approved.

3. As Coir handicraft is essentially

E2

one of the items in which the [illegible] is studying in the Fisheries school, this Dept may support the proposals of the D.I.E. & the Committee for submission of Part II schemes issued by Fin in their memo No 60175 A-B2 (It may perhaps be held that my proposal B2 of 13.9.55 [illegible] (in this file) as adequately & essential for orders

DEPUTY SECRETARY TO GOVERNMENT 4 NOV 1955

Finance (C.S.R.)Dept.

The proposal is for the deputation of higher elementary grade teachers from South Kanara and Malabar Districts to undergo training at the

Government Coir School, Beypore for appointment to the Fisheries Schools in those two Districts. The financial implications of the proposals are as given on p.5 c.f. The expenditure ~~xxxxx~~ in 1956-57 ~~are~~ about Rs 5,000/- and the recurring expenditure in the next two years about the same figure. Even though it does not satisfy the criteria laid down for proposals to be considered as Part II Schemes for 1956-57, it is for orders whether this Department may agree to it being considered, in view of the Director's statement that it is quite essential to introduce Coir training in the Fisheries Schools where such training has not so far been introduced due to dearth of trained teachers.

orders may be taken in circulation with reference 'A' above.

SECOND ASST. SECRETARY TO GOVERNMENT
8-NOV 1955
97868

Agriculture Dept.(BIII)

SUMMARY

Fin.U.O.86656/55R

The file deals with the proposal of the D.I.& C. for the deputation of Higher Ele.Grade teachers in the Fisheries School to undergo coir training.

2. In December 1950, Govt. sanctioned the deputation of twelve Higher Ele. Grade teachers in three batches for a period of one year each from the year 1951-52 for practical training in coir handicraft at Govt. Coir School, Beypore. These twelve after training were working in the Fisheries Schools shown at 'A' on p.1 c.f.

For the reasons set out by the D.I.& C. at 'B' on p.1 c.f., he states coir handicrafts could not be

be introduced in the 12 schools detailed at 'C' on pp.1-2 c.f. in South Kanara Dt. According to the statistics of schools and the staff trained in coir handicraft, the D.I.& C. states that the deputation of twelve more Higher Ele.Grade teachers in three batches for a period of one year each from the year 1956-57 is quite essential to introduce coir training in the remaining 12 Fisheries Schools in South Kanara Dt.

Similarly for reasons stated at 'D' on p.3 c.f., the D.I.& C. has proposed that 4 Higher Ele.Grade teachers may be deputed to undergo coir training in the Govt. Coir School at Beypore, during 1956-57 to give relief to the Secondary Grade teachers in the Fisheries Schools in Malabar Division. ~~In brief, the proposals~~ of the D.I.& C. are:-

(1) the deputation of 12 Higher Ele.grade teachers from South Kanara Division in three batches for a period of one year from the year 1956-57,

(2) the deputation of 4 Higher Ele. Grade teachers from Malabar Division for a period of one year during 1956-57 to undergo training at the Govt. Coir School at Beypore, and

(3) for the appointment of substitutes in the place ~~of those deputed for training.~~

The financial implication ~~involved~~ is shown on p.5 c.f. An expenditure of Rs.2,552 in each of the years 1956-57 to 1958-59 in Mangalore Division and Rs.2,400/- for 1956-57 in Malabar Division, have to be incurred if the proposals are approved.

3. As coir handicraft is essentially one of the items in which the fisher children studying in the Fisheries Schools should be trained, this Dept. proposed to support the D.I.& C's proposal. H.E.L.A. and Finance have agreed. The case may now be circulated

p.t.o.

SFL

to M(A) and M(F&E) for orders ~~on~~ whether the proposals in para 2 on pp 4-5 ~~items (1) to (3)~~ may be brought forward as a above ~~to be treated as a~~ Part II Scheme for 1956-57.
